

**Star Seating, Manufacturer of Mini Bus Seats**

STAR SEATING is a well established company specialising in the manufacture of Mini Bus seating for all makes of vans.

The company is situated in the Brierley Hill area of Central England and this location, due to the close proximity of the Motorway Network, allows STAR SEATING to provide a first class service to clients all over the United Kingdom.

The company is highly customer focused and this approach, coupled with a wealth of experience in the industry, has helped STAR SEATING to achieve an enviable reputation for service, quality and value for money. Because this is a family run business customers are guaranteed personal and expert attention from initial enquiry through to the finished product.

There is a comprehensive product range in a variety of trims to suit all applications and budgets - please see the various product ranges for full specifications and also spend some time reviewing the product pictures and descriptions.

Although the main thrust of business is aimed at providing seating for the specialist Van Converter industry enquiries are also welcomed for contracts of any size from private individuals with one van through to large fleet users.
